

# BALI HA'I

Richard Rodgers/Oscar Hammerstein  
4/4 1...2...1234

Most people live on a lonely island, lost in the middle of a foggy sea

Most people long for another island. One where they know they would like to be

Bali Ha'i may call you, any night, any day

In your heart you'll hear it call you. Come a-way, come a-way

Bali Ha'i will whis-per on the wind of the sea.

Here am I, your special is-land. Come to me, come to me

Your own special hopes, your own special dreams bloom on the hillside and shine in the streams

If you try, you will find me where the sky meets the sea

Here am I your special is-land. Come to me, come to me. Bali Ha'i, Bali Ha'i, Bali Ha'i

**p.2. Bali Ha'i**

**Someday you'll see me floating in the sunshine, my head sticking out from a low flying cloud**

**You'll hear me call you singing through the sunshine**

**Sweet and near as can be.**

**Come to me....here am I....come to me**

**If you try, you will find me where the sky meets the sea**

**Here am I your special is-land. Come to me, come to me. Bali Ha'i, Bali Ha'i, Bali Ha'i**
