I COULD HAVE DANCED ALL NIGHT

4/4 1...2...1234

-Lerner and Loewe

Bed, bed! I couldn't go to bed, my head's too light to try to set it down

Sleep, sleep! I couldn't sleep to-night, not for all the jewels in the crown

I could have danced all night, I could have danced all night, and still have begged for more

I could have spread my wings, and done a thousand things I've never done be - fore

I'll never know what made it so ex-citing. Why, all at once my heart took flight

I on - ly know when she/he began to dance with me

I could have danced, danced, danced... all night

Interlude: First 2 lines ("I could have danced.....")

I'll never know what made it so ex-citing. Why, all at once my heart took flight

I on - ly know when she/he began to dance with me

I could have danced, danced, danced... all night
