

My Walking Stick

Irving Berlin

Without my walking stick, I'd go insane
 Can't look my best, I'd feel undressed without my cane
 Must have my walking stick 'cause it may rain
 And when it pours, can't be outdoors without my cane

 If I ever left my house without my walking stick
 It would just be something I could never explain

 The thing that makes me click on Lovers' Lane
 Would go for naught if I were caught without my cane
