TILL I WALTZ AGAIN WITH YOU-Sidney Prosen

4/4 1234 1 (without intro)

Intro: |    |  |

Till I waltz again with you, let no other hold your charms

If my dreams should all come true, you'll be waiting for my arms

Till I kiss you once a-gain, keep my love locked in your heart

Darling, I'll return, and then we will never have to part

Though it may break your heart and mine, the minute when it's time to go

Remem-ber, dear, each word di-vine, that meant I love you so

Till I waltz again with you, just the way we are to-night

I will keep my promise true, for you are my guiding light

p.2. Till I Waltz Again With You

Interlude:

Though it may break your heart and mine, the minute when it's time to go

Re-member, dear, each word di-vine, that meant I love you so

Till I waltz again with you,

just the way we are to-night

I will keep my promise true,

for you are my guiding light, my light, my light

I will keep my promise true,

till I waltz again with you
