Intro: F (4 beats)

F Gm
When I saw you standing there, I 'bout fell out of my chair
Bb C7 F
And when you moved your mouth to speak, I felt the blood go to my feet.

Now, it took time for me to know what you tried so not to show

But, somethin' in my soul just cries. I see the want in your blue eyes.

Baby, I'd love you to want me, the way that I want you, the way that it should be
