Intro: |  |  |  |  |  |

Mornin', I'll be gettin' up, mornin', I'll be settin' up a tiny table for two

Breakfast, I'll be makin' him breakfast, he'll be takin' his

Shave and his show - er, my happy ho - ur

The coffee is steam-ing. Oh boy, what I'm dream-ing

While I'm cooking break-fast for the one I love

My baby likes ba - con, and that's what I'm ma - kin'

While I'm cooking break-fast for the one I love

    

Our life has been so nice and chummy, right from the start

    

When I won his tummy, I won his heart

p.2. Cooking Breakfast For the One I Love

My baby is hap - py. No wonder I'm hap - py,

While I'm cooking break-fast for the one I love

I'm baking a bis - cuit. He's willing to risk it,

While I'm cooking break-fast for the one I love

He's wipin' the dish - es, and he's breakin' the dish - es

While I'm cooking break-fast for the one I love

I serve a plate of steaming oatmeal, taste it, but shucks

Who the heck likes oatmeal, sprinkled with Lux?

To show that he's grate - ful, he eats a big plate - ful

And he faints right after break -fast for the one he loves
