Why am I losing sleep over you?

Reliving precious moments we knew?

So many days have gone by. Still, I'm so lonely, and I

Guess there's just no getting over you, and there's nothing I can do

But spend all of my time, out of my mind over you

Within the prison walls of my mind,

there's still a part of you left be-hind

And, though it hurts, I'll get by without your lovin', yes, I

Guess there's just no getting over you, and there's nothing I can do

But spend all of my time, out of my mind over you

And I guess there's just no getting over you, and there's nothing I can do

But spend all of my time, out of my mind over you over you over you
