

OH BABE, WHAT WOULD YOU SAY

-Norman Smith
-Eileen Sylvia Smith

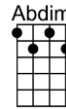

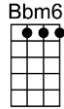

4/4 1...2...123 (without intro)

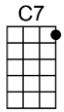

Have I a hope, or half a chance, to even ask if I could dance with you, you-hoo?

Would you greet me or po-litely turn a-way?

Would there suddenly be sunshine on a cold and rainy day?

Oh, babe, what would you say?

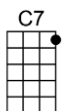

For, there are you, sweet lollipop. Here am I with such a lot to say, hey, hey

Just to walk with you a-long the Milky Way

To ca-ress you through the nighttime, bring you flowers every day

Oh, babe, what would you say?

p.2 Oh Babe, What Would You Say

'Cause oh, baby, I know,

I know I could be so in

love with you

And I know that I could make you love me, too

And if I could only hear you say you do, ooh-ooh-ooh-ooh

But, any-way,

what would you say?

Instrumental verse

Yes, oh, baby, I know,

I know I could be so in

love with you

And I know that I could make you love me, too

And if I could only hear you say you do, ooh-ooh-ooh-ooh

But, any-way,

what would you say?
