

I SWEAR-Gary Baker/Frank J. Myers

Intro: |  |  |  |  |  | (X2)

I see the questions in your eyes. I know what's weighin' on your mind

But you can be sure I know my part

'Cause I'll stand be-side you through the years. You'll only cry those happy tears

And, though I'll make mistakes, I'll never break your heart

I swear, by the moon and the stars in the sky, I'll be there

I swear, like the shadow that's by your side, I'll be there

  

For better or worse, till death do us part

       

I'll love you with every beat of my heart, I swear

p.2. I Swear

I'll give you every-thing I can. I'll build your dreams with these two hands

We'll hang some memories on the wall

And when there's silver in your hair, you won't have to ask if I still care

'Cause as time turns the page, my love won't age at all

I swear, by the moon and the stars in the sky, I'll be there

I swear, like the shadow that's by your side, I'll be there

For better or worse, till death do us part

{ } X2

I'll love you with every beat of my heart, I swear

I swear, by the moon and the stars in the sky, I'll be there

I swear, like the shadow that's by your side, I'll be there

For better or worse, till death do us part

I'll love you with every beat of my heart, I swear, I swear
