Intro: **Dm** **F** **C** **G**

**Chords**

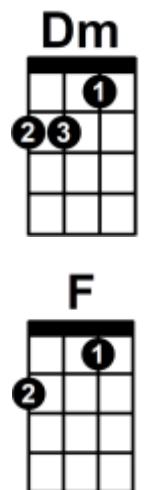

I've been wandering around the house all night,  
 Wondering what the hell to do-o  
 I'm trying to concentrate but all I can think of is you  
 Well the phone don't ring 'cos my friends ain't home  
 I'm tired of being all alo-ne  
 Got the TV on cos the radio's playing songs that remind me of you

Baby when you're gone - I realise I'm in lo-o-ove  
 The days go on and on - and the nights just seem so-o-o long  
 Even food don't taste that good, - drink ain't doing what it sho-o-uld  
 Things just feel so wrong - - baby when you're gone.....

**Chorus**

I've been driving up and down these streets,  
 Trying to find somewhere to go-o  
 Yeah I'm lookin' for a familiar face but there's no one I know  
 Oh, this is torture, this is pain. It feels like I'm gonna go insane  
 I hope you're coming back real soon, 'cus I don't know what to do

**Chorus**
