## I Saw Her Standing There (V2) – The Beatles (1963)

| Intro: G7 G7 G7{pau                                                                                                                                                                                   | se} (1 bar of eac                         | ch) <u>Chords</u>      |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------|------------------------|
| G7 / Well she was just seventeen and your G7 / And the way she looked was way bound I dance with another G7 D7 G7 G7 when I saw her standing there                                                    | <b>D7</b><br>eyond compare<br><b>Eb</b>   | 9.                     |
| G7 / C7 Well she looked at me and I, I could G7 / That before too long I'd fall in love v G G7 C7 She wouldn't dance with another G7 D7 G7 G7 when I saw her standing there                           | D7 /<br>with her<br>Eb                    | D7                     |
| C7 / / / Well my heart went boom when I cr C7 / D7 / and I held her hand in mine G7 / Well we danced through the night a                                                                              | C7 /                                      | G7                     |
| And before too long I fell in love wit  G G7 C7  Now I'll never dance with another  G7 D7 G7 G  Since I saw her standing there  ——————————————————————————————————                                    | Eb                                        | <b>0 0</b>             |
| Well my heart went boom when I cr C7 / D7 / and I held her hand in mine G7 / Well we danced through the night a G7 / And before too long I fell in love wit G G7 C7 Now I'll never dance with another | C7 / C7 and we held each of D7 / h her Eb | G7<br>G7<br>ther tight |
| G7 D7 G7 Since I saw her standing there G7 D7 G7 Since I saw her standing there G7 D7 G7 Since I saw her standing there                                                                               | /<br>/{stop}                              |                        |
