## Silent Night - Mohr, Gruber (1818) - Waltz (3/4 time)

| Intro: C// G7// C// G7//                                                                                                                                                                                  | <u>Chords</u>                |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|
| C C G7 C Silent night, holy night, All is calm, all is bright  F C Round yon Virgin Mother and Child  F C                                                                                                 | C                            |
| Holy Infant so tender and mild  G7                                                                                                                                                                        | F<br><b>0</b>                |
| C C G7 C Silent night, holy night! Shepherds quake at the sight                                                                                                                                           |                              |
| Glories stream from heaven afar  F C  Heavenly hosts sing Alleluia!  G7 C C G7 C  Christ, the Saviour is born, Christ, the Saviour is born                                                                | G7<br><b>0</b><br><b>0 6</b> |
| C C G7 C Silent night, holy night, Son of God, love's pure light F C Radiant beams from Thy holy face F C With the dawn of redeeming grace G7 C G7 C Jesus, Lord, at Thy birth, Jesus, Lord, at Thy birth |                              |
| Repeat Verse 1                                                                                                                                                                                            |                              |
| C G7 C Sleep in heavenly peace                                                                                                                                                                            |                              |
