Let It Be Me – Everly Brothers

```
F          C     C#dim   Dm        Am
  I bless the day I found you,    I want to stay around you
Bb        F         Gm7        F
  And so I beg you,        Let it be me
=================================================
F               C      C#dim   Dm          Am
  Don't take this heaven from one,   If you must cling to someone
Bb         F       Gm7        F
  Now and forever,      Let it be me
=================================================
Bb            Am         Bb           F
  Each time we meet love,      I find complete love
Gm7            F          Bb             A
  Without your sweet love,      what would life be?
=================================================
F          C        C#dim   Dm          Am
  So never leave me lonely,        Tell me you love me only
Bb            F       Gm7        F
  And that you'll always      let it be me
=================================================
Bb            Am         Bb           F
  Each time we meet love,     I find complete love
Gm7            F          Bb             A
  Without your sweet love,     what would life be?
=================================================
F          C        C#dim   Dm          Am
  So never leave me lonely,        Tell me you love me only
