And she's/he's taken just all that I had,     but, if you want, I'll try to love again

                    D          G          A
       And when it comes to lovin' me, she/he's worst
        D      A      G   A           D        Dsus          G   A
I still want you by my side,     just to help me dry the tears that I've cried
          D         A       G    A                  D               G
And I'm sure gonna give you a try,     if you want, I'll try to love again, try
     A       D        G        A
Baby, I'll try to love a-gain, but I know...
         D         A       G     A      D         A        G       A
       The first cut is the deepest, baby, I know the first cut is the deepest
                    D             A         G    A
       And when it comes to bein' lucky, she's/he's cursed
                    D          G          A
       And when it comes to lovin' me, she/he's worst
