Chords

```
       C              /              /          G7
In a cavern, in a canyon,  excavating for a mine,
           /           C          G7           C
Dwelt a miner, forty-niner,  and his daughter Clementine.
```

Chorus
```
         C              /              /          G7
Oh my darling, oh my darling, oh my darling Clementine
            /            C          G7           C
Thou art lost and gone forever, dreadful sorry, Clementine
```

```
         C              /              /              G7
Light she was, and like a fairy, and her shoes were number nine,
           /            C          G7           C
Herring boxes without topses, sandals were for Clementine.
```

Chorus

```
            C              /              /          G7
Drove she ducklings to the water, every morning just at nine,
           /            C          G7           C
Hit her foot against a splinter, fell in-to the foaming brine.
```

Chorus

```
       C              /              /              G7
Ruby lips above the water, Blowing bubbles soft and fine,
       /            C          G7           C
But alas, I was no swimmer, Neither was my Clementine.
```

Chorus

```
       C              /              /              G7
In my dreams she still doth haunt me, robed in garments soaked in brine,
           /            C          G7           C
Then she rises from the waters, and I kiss my Clementine.
```

Chorus

```
       C              /              /              G7
How I missed her, how I missed her, How I missed my Clementine,
       /            C          G7           C
Till I kissed her little sister, and forgot my Clementine.
```
Chorus
