BABY, COME BACK -Beckett/Crowley
4/4 1…2…1234 (slow count)

Intro: | Dsus | Bm7 | Dsus | Bm7 Em | (X2)

Dsus   Bm7
Spending all my nights, all my money going out on the town
All day long,   wearing a mask of false bravado

Dsus   Bm7
**Doin' anything   just to get you off of my mind**
Trying to keep up the smile that hides a tear

Dsus   Bm7
But, when the morning comes, I'm right back where I started again
But, as the sun goes down,   I get that empty feeling again
Dsus   E7sus   E7
And tryin' to   forget you is just a waste of time
How I wish to God that you were here
Refrain:

CMA7   Bm7   Em
Baby come back, any kind of fool could see

Am7   Bm7   Em
There was something in everything a-bout you

CMA7   Bm7   Em
Baby come back, you can blame it all on me

Am7   Bm7   Em   F   Dsus   Bm7
