I'd sing my never ending song of love for you

OH, LONESOME ME

C   **G7**
Everybody's goin' out and   havin' fun.
A bad mistake I'm makin' by just hangin' 'round.

   **C**

I'm just a fool for stayin' home and havin' none.
I know that I should have some fun and paint the town

                 C7   **F**   **G7**   **C**
I can't get over how she set me free. Oh, lonesome me. (2nd verse)
A lovesick fool that's blind and just can't see,   oh, lonesome me

G   **D7**   **G**

I'll bet she's not like me, she's out and fancy free, flirting with the boys with all her charms
                   D7   **G**   **G7**
But I still love her so and, brother, don't you know I'd welcome her right back here in my arms

                   C   **G7**

Well, there must be some way I can lose these lonesome blues,

                                 C

Forget about the past and find some-body new.

                 C7   **F**   **G7**   **C**   **G7**   **C**   **G7**   **C**

I've thought of every-thing from A to Z.   Oh, lonesome me,   oh, lonesome me,   oh, lonesome me.
