LAST NIGHT I DIDN'T GET TO SLEEP AT ALL
4/4   1…2…1234   -Tony Macaulay

Intro: | A | F#m | C#m | G | E7 |

Last night I didn't get to sleep at all, no, no

I lay awake and watched un-til the morning light

Washed away the darkness of the lonely night (lonely night)

Oh, and last night I got to thinking' maybe I, I, I

Should call you up and just for-get my foolish pride

I heard your number ringing, I went cold inside

And last   night I didn't get to sleep at all

Bridge:

I know it's not my fault, I did my best

God knows this heart of mine could use a rest
C#m   **F#m**

But more and more I find the dreams I left be-hind

G   **Bm11** **E7**

Are somehow too real to re-place

A   **F#m**   **C#m**

Oh, last night I didn't get to sleep at all, no, no

F#m   **C#m**

The sleeping pill I took was just a waste of time

D   **E7**

I couldn't close my eyes 'cause you were on my mind

F#m **E6** **D6**   **Bm**   **E7** **A**

1. And last   night I didn't get to sleep, didn't get to sleep, no I didn't get to sleep at all (repeat from bridge)

F#m **E6** **D6**   **Bm**   **E7** **A**

2. And last   night I didn't get to sleep, didn't get to sleep, no I didn't get to sleep at all

F#m **C#m** **E7**

No, no no……no, no no

A   **F#m**   **C#m** **E7**
Last night I didn't get to sleep at all, no, no   (repeat and fade)
